ALESSANDRO DI STEFANO

SOFTWARE DEVELOPER

PERSONAL DATA

Birthday 20/02/2004

Nationality Italian

PERSONAL PROFILE

I'm currently studying C, C++, Python and Java at 42Roma Luiss. Ready to learn new notions everyday and always looking for new challenges.

EDUCATIONAL HISTORY

Liceo Scientifico Marco Vitruvio Pollione

High School diploma | Sep 2017 - Jun 2022

- Final vote 100/100.
- Obtained B2 First Cambridge English Qualification.
- Partecipated in the first edition of Casio Student Cup.
- Partecipated in the Cyberchallenge project 2020/21.

42Roma Luiss

Student | Jan 2023 - ongoing

- Almost completed the 42Cursus
- Peer-to-peer.
- Team working.
- Designed, assembled and programmed a non-destructive Antweight Robot.

OTHER INTEREST

In addition to coding, I like to ride motorbikes on the weekend and playing tennis or soccer with my friends. Also, in my spare time I read books and manga.
